

Forcepoint Implementation Datasheet

Package: Forcepoint Professional Services – DLP Endpoint Foundation

Part Number: DLPEFND

Version: 2.0

Date: July 25 2025

Forcepoint

Overview

Proficiency and precision are necessary to effectively implement quality security solutions. To help you get the most out of the Forcepoint solution (the “Products”), Forcepoint Professional Services offers the following implementation services package (“Package”) for Subscriber environments up to 10,000 users or devices as defined in your license agreement.

Deliverables and Responsibilities

Detailed Statement of Services:

Forcepoint employees, agents, and/or contractors (“Services Personnel”) will assist Subscriber with the initial configuration of the Products in accordance with recommended engineering practices (“Services”):

Pre-Implementation

- Services Kick-off call between Subscriber and Services Personnel
 - Note: Services Personnel will contact the Subscriber within three (3) weeks of the order being processed to schedule the Services Kick-off call
- Review scope of Package
- Establish Services schedule
- Customer to provide network diagrams relevant to DLP deployment architecture

Implementation of the Product

- Services Personnel will assist the Subscriber with the implementation of the Product within one (1) Subscriber’s environment, as follows:
 - Configure one (1) Forcepoint Security Manager (FSM) Server
 - Configure up to two (2) Forcepoint Secondary Endpoint Servers
 - Configure one (1) Forcepoint Endpoint Discovery Scan Policy
 - Configure up to five (5) Forcepoint DLP out-of-the-box policies
 - Deploy up to ten (10) Forcepoint Endpoint Agents

Out of Scope Implementation Items

- The following items are out of scope of for this package:
 - Policy customization

Project Timeline

- Foundation SKUs are estimated to be completed with an average duration of 4-6 weeks following the sample timeline below. Project timelines will be agreed upon during the services kick off meeting and managed by the Forcepoint Project Manager

SAMPLE Project Timeline from Kickoff				
Project Phase	Week 1	Week 2	Week 3	Week 4
Environment/Use Case Review				
Architecture Design				
Product Installation/Provisioning				
Core Product Configuration				
Policy Configuration				
Knowledge Transfer				

Knowledge Transfer Session

- Services Personnel will provide up to one (1) informal knowledge transfer session. This transfer session shall be up to two (2) hours in duration.
- Typical topics may include:
 - System and Architecture Overview
 - Navigation of the Product
 - Policy/rule Management
 - Job/scan Management
 - Alerting
 - Reporting and Dashboards
 - Common Troubleshooting Scenarios

Services Closure Meeting

- Service Personnel will conduct a Services closure meeting to review and confirm the Services have been completed and assist with the transition to Forcepoint Technical Support. This meeting will complete Forcepoint's services obligations under this package.

Services Obligations of Subscriber

Prior to the start of and throughout the Services, the Subscriber must be able to provide the following to Services Personnel if Applicable:

- Access to Infrastructure, Network, Management Resources
- Access to Products
- Privileged AD Services Account
- Ability to make network changes, including all exclusions as recommended by Services Personnel
- Up to ten (10) Test users
- Confirm all recommended host server system requirements
- Confirm Subscriber has met all Product prerequisite requirements
- Disable antivirus software on the Forcepoint Products server
- Disable any firewall on the Forcepoint Security Manager, or Forcepoint Products server before starting the Forcepoint installer
- Throughout the Services, Subscriber will promptly provide all resources and licenses to Services Personnel to allow Services Personnel to deliver the Services.

Package Assumptions

- There is no report, memorandum, or other formal documentation deliverable to be issued in connection with this Proposal, this includes but is not limited to High Level Design (HLD), Low Level Design (LLD), and other Subscriber specific documentation.
- Services are delivered by remote delivery resources only. No onsite delivery element.
- Services Personnel must receive a written cancellation notice at least seventy-two (72) hours prior to the start of any pre-scheduled Services.
 - In the event the customer is in breach of cancellation notification period of seventy-two (72) hours, Forcepoint reserves the right to invoice the customer for lost time at the prevailing list rate.
- Services will be provided during normal local business hours, Monday – Friday (e.g. 9:00am to 5:00pm)
- Services do not address any other Forcepoint products, or other deliverables except those documented in the Detailed Statement of Services
- Services in this Package are limited and may not address all of Subscriber's unique requirements
- High availability and Disaster Recovery configurations or planning are not within the scope of this Package
- Subscriber should not expect "on-demand" Services
- All scripts, tools, notes, know-how and procedures developed by Services Personnel as part of the Services will remain the property of Forcepoint
- Services Personnel will have no obligation to provide Services unless and until Subscriber fulfils all its Services Obligations
- In the event the subscriber is unable or unwilling to fulfil its obligations of this package. Forcepoint reserves the right to invoice the subscriber for additional services as deemed necessary to fulfil the obligations of this package.

- Subscriber's current Support entitlement will be utilized for Product troubleshooting and escalation

Terms & Conditions

- The Services in this implementation Package are provided pursuant to the Subscription Agreement
- Forcepoint provides the Services "AS IS" and makes no warranties of any kind, express or implied
- Services will be performed in a professional and workmanlike manner, and Services Personnel will comply with all applicable laws in providing the Services
- Services must begin within 90 days of the Order or Subscriber forfeits the implementation Package
- Services must be completed within 6 months from Services Kick-off call or the Order, whichever occurs first, or Subscriber forfeits the implementation Package
- Subscriber's assent to the Subscription Agreement constitutes acceptance of the above terms and conditions
- Any work or additional hours that, in Services Personnel's reasonable discretion, exceed the scope of Services (including remote or onsite follow up work or troubleshooting unknown issues) will require a mutually agreed upon services contract
- Services and Deliverables within this Package are standard and non-negotiable
- Services purchased via this package are non-refundable
