To whom it may concern:

In January we informed you that Francisco Partners had closed its acquisition of the Forcepoint family of companies from Raytheon Technologies. Now that Forcepoint is a part of Francisco Partners' portfolio, we are undertaking a realignment of our corporate structure, which impacts some of our corporate entities.

We have taken steps designed to ensure this realignment will not impact your day-to-day interactions with Forcepoint in any way. Of note, the former Forcepoint LLC has been renamed and is now a non-operating holding company in our structure. To minimize any action on your part, a different entity in our corporate structure has assumed the name, Forcepoint LLC, as well as all contractual rights, obligations, and commitments of its predecessor.

You will not need to make any changes regarding the name or address information you have for Forcepoint. These things remain unchanged and are provided here for your reference:

Forcepoint LLC
10900-A Stonelake Blvd
Quarry Oaks 1, Suite 350
Austin, TX 78759

Thank you for choosing Forcepoint and we look forward to our continued relationship. If you have any questions, please feel free to reach out to your account manager.
